

RELOCATION ~~CHECKLIST~~

(FOR YOUR RESUME/LINKEDIN PROFILE)

- **Clear Relocation Intent:** Clearly state your willingness to relocate. For example, you can write 'Open to Relocation' or 'Seeking Opportunities in [City/Country Name]'.
- **Highlight Relocation Experience:** If you have prior experience with relocations, emphasize it in your LinkedIn About section.
- **Transferable Skills:** Showcase skills that are highly valuable in your target location/industry. Include adaptability and flexibility, language skills and communication skills.
- **Accomplishments:** Highlight achievements that demonstrate your value as an employee, and how they can benefit your prospective employer in the new location.
- **Research and Knowledge:** Mention your research about the new location, and your understanding of local job market and industry trends in your LinkedIn About section.
- **International Experience:** If you have worked or studied internationally, make sure to highlight it, as it demonstrates your experience with different cultures and adaptability.
- **Networking Efforts:** Begin networking by connecting with professionals in your field who live in target locations, and attend industry events.
